Bacteria-2

Fights specific bacteria including gynakomastie, infizierte lymph, lymphknotenabszess, medorrihinum.

Bacteria-3

Fights specific bacteria including osteomyelitis, osteomyelosklerose, pasteurellose, peptostreptcocc, psorinum.

Bacteria-4

Fights specific bacteria including pyrogenium avis, pyrogenium ex ovo, pyrogenium suis.

Bacteria-5

Fights specific bacteria including staphylococcc hamolyt, staphylococcc streptococcc, staphylococcc viridians, staphylococccinum aureus, staphylococccinum koag pos, staphylococccinum.

Bacteria-6

Fights specific bacteria including streptococccinum, tonsilla palatine, tonsilla pharyngea, tonsilla abszeb.

Bacteria-7

Fights specific bacteria including cidophilus bacteria, aerobactaria ccoli, coli bacteria, dysenteriae bacteria, faecalis alkaligenes.

Bacteria-8

Fights specific bacteria including gartner, morgan, proteus, pyocyaneus, subtilis.

Bacteria-9

Fights specific bacteria including alfatoxin, cholesteatom, corynebact anaerobicum, elephantiasis, erysipel.

Bites & Stings-1

Addresses symptoms associated with insect bites and stings including swelling, itchy, and burning.

Bones & Fractures-1

Strengthens the immune system, bones, and connective tissue while balancing the Thymus.
Promotes bone and collagen repair.

Bones & Fractures-2

Specific frequencies known to promote bone healing.

Bronchial-1

Builds and a cleanses the respiratory system. Increases the oxygen carrying capacity of the lungs.
Eases respiratory dysfunction, emphysema, chronic sore throat, asthma, bronchitis, pertussis and cough.

Bronchial-2

Fights specific bronchial issues associated with influencinum ab, influencinum toxicum, influencinum vesiculasum, influencinum vesiculasum nw, influencinum vesiculasum sw, influenza.

Bronchial-3

Fights specific bronchial issues associated with pertussinum, pleuritis, pneumococcinum m, pneumococcinum, polyserositis, rhinopneumonitis.

Bronchial-4

Fights bronchial conditions with flu-like symptoms that includes a combination of Grippe nosodes.

Bronchial-5

Fights bronchial conditions with flu-like symptoms that includes a combination of Grippe nosodes.

Bronchial-6

Fights specific bronchial issues associated with asiengrippe a, asthma bronchiale, bronchiektasie, bronchitis fibrinosa.

Bruises-1

Soothing, pain relief for bruises. Addresses aches and pains associated with bruises.

Burns-1

Use for rashes, sunburn and burns. Brings relief to dry, chapped and/or sunburned skin.

Candida-1

Addresses minor symptoms related to urinary tract discomfort and candida conditions including itching, pain and urge to urinate. Assists in clearing persistent infections.

Candida-2

Specific frequencies known to address yeast related issues.

Chakra -1

Specific frequencies and meridian complexes designed to support the Root or Base Chakra.

Chakra -2

Specific frequencies and meridian complexes designed to support the Spleen Chakra.

Chakra -3

Specific frequencies and meridian complexes designed to support the Solar Plexus Chakra.

Chakra -4

Specific frequencies and meridian complexes designed to support the Heart Chakra.

Chakra -5

Specific frequencies and meridian complexes designed to support the Throat Chakra.

Chakra -6

Specific frequencies and meridian complexes designed to support the Brow or Third Eye Chakra.

Chakra -7

Specific frequencies and meridian complexes designed to support the Crown Chakra.

Chelation-1

Supports liver healing and rebuilding by chelating toxins from the blood and liver tissue. Purges harmful environmental toxins including heavy metals.

Colds & Coughs-1

Addresses minor symptoms related to the common cold viruses including sneezing, coughing, fatigue, congestion and fever. Boosts resistance, fights bacterial infections and helps cleanse the system. An energy and immune booster.

Cold Sores-1

Addresses both the symptoms and causes of cold sores. Includes herpes nosodes.

Constipation-1

Addresses the symptoms associated with temporary or chronic constipation. Addresses abdominal disturbances such as bloating.

Cut & Scrape-1

Accelerates the healing process for cuts and scrapes.

Dental Abscess

Addresses high temperature, pain, and infectious discharge associated with dental abscess.

Dental Anesthesia and Nerve Damage

Alleviates nerve trauma and side effects from dental related procedures.

Dental Apprehension

Addresses anxiety and fear associated with dental procedures including nervous behavior, restlessness, and palpitations.

Dental Bacteria

Fights dental bacteria including staphylococccinum and streptococccinum.

Dental Bone Cavitations

Addresses holes or pockets which may form beneath the surface of the gum and/or in the jaw bone causing toxicity and infection. Use following tooth extraction.

Dental Bruxism

Addresses the pain and other side effects associated with teeth grinding.

Dental Diffuse Pain

Addresses general pain associated with dental conditions and procedures.

Dental Drainage

Contributes to lymph drainage associated with dental conditions

Dental Focal Teeth

Resolves energetic disturbances in the teeth.

Dental Gingivitis

Addresses inflamed and aggravated mucous membranes of gums. Also addresses bad breath.

Dental Hemorrhage

Reduces inflammation and fever associate with dental hemorrhage.

Dental Immune System

Boosts natural defense system while reducing inflammation. Encourages detoxification.

Dental Inflammation

Reduces inflammation in the teeth and gums.

Dental Neuralgia

Resolves muscular cramping and headache associated with facial and dental neuralgia.

Dental Post Op Discomfort

Reduces swelling, inflammation and pain associated with dental operative procedures

Dental Root Canal

Addresses issues associated with root canal conditions and procedures

Dental Salivation

Addresses excessive thirst and need to salivate.

Dental Scars

Addresses scar formation.

Dental Sensitive Teeth

Addresses individual teeth sensitivity.

Dental TMJ

Addresses the symptoms associated with Temporo Mandibular Joint Disorder (TMJD or TMD), or TMJ syndrome.

Dental Tooth Eruption

Addresses multiple issues associate with teething and other eruptive disorders of the mouth

Dental Toothache

Addresses general pain and conditions associated with toothaches.

Dental Ulcerations

Resolves ulcers in the mouth.

Dental Viruses

For viruses including coxsackie, epstein barr, and herpes simplex. Boosts immune response.

Detox Connective Tissue

Excellent support for connective tissue organ detoxification. Drainage formula supports cleansing.

Detox Intestine

Excellent support for colon and intestine detoxification. Provides nutritive support for colon enzyme activity.

Detox Kidney

Excellent support for kidney organ detoxification. Drainage formula supports cleansing.

Detox Liver

Excellent stimulator for elimination of toxins from liver. Drainage formula supports cleansing.

Detox Lymph

Stimulates lymph drainage. Excellent for use with Lymph conditions where cleansing and detox is necessary.

Diarrhea-1

Addresses minor symptoms related to intestinal discomfort. Useful for cases with exposure to intestinal microbes or food poisoning. Contributes to relief from diarrhea, nausea, abdominal pain, upset stomach and weakness.

Digestion-1

Digestive enzyme support. Useful for protein maldigestion and absorption.

Digestion-2

Promotes digestion of proteins, carbohydrates, and fats. Supports proper levels of digestive acids and enzymes. Useful for counteracting overuse of antacids.

Triggers retraining the body's natural digestive process.

Digestion 3

Specific frequencies known to address digestion and stomach related issues.

Energy-1

Reactivates adrenals normalizing the body and giving an overall feeling of well being and energy.

Allows the body to assimilate more protein without added fats and carbohydrates. Cellular energizer.

Fatigue-1

Addresses multiple aspects of the blood. Use to counteract hectic feelings, nervous fatigue and to provide calm strength. For use when feelings of extreme fatigue prevent sleep and relaxation.

Helpful with situations of geopathic stress.

Nervous Tension

Helpful for all nervous tension conditions including those in conjunction with fatigue and chronic pain. Helpful when nerves are irritated or stressed, such as headaches, back pain, or neuralgia.

Addresses minor symptoms related to weak immune system, over-work, exhaustion, adrenal/endocrinal stress.

Addresses multiple general health aspects for women including lymphatic-pelvic, mucous, arterial, cerebral-vascular, blood, and ovarian. Provides support for key female organs and the endocrine system. Addresses emotional elements of overwhelm, negativity, and rejection. Helps regulate female biochemistry and hormonal balance.

Female-2 Gyno-1

Addresses health of the cervix and ovaries, including cystitis related issues.

Female 3 Gyno-2

Addresses health of the endometrium, including fibro related issues.

Female 4 Gyno-3

Addresses health of the breast, including fibro and mastitis related issues.

Female 5 Gyno-4

Female 6 Hot Flashes

Relieves hormonal and menopausal related hot flashes and cold sweats.

Female 7 Menstrual Bloating

Relieves menstrual and other bloating. Alleviates water retention by balancing the body.

Female 8 Menstrual Pain

Relieves premenstrual syndrome; diminishes bleeding and alleviates cramps. Helps normalize menstrual cycle.

Female 9 Menstrual Tension

Helps normalize menstrual cycle and relieves premenstrual and other tension. Calms and soothes the mind and body.

Female-10 Vaginitis

Addresses minor symptoms related to vaginal irritations and infections. Relieves discharge, burning, cramping and lower back pain.

Focus-1

Supports brain glands including pituitary, pineal and thalamus. Promotes healthy mental clarity and focus. Assists in memory recall.

Fungus-1

Addresses fungal conditions and organisms within tissues removing toxins.

Headache-1

Use for headache, migraine and general pain associated with headaches. Addresses neck tension and symptoms related to liver weakness.

Headache-2

Additional headache remedies. Use for headache, migraine and general pain associated with headaches.

Immune System-1

Strengthens, normalizes and stabilizes the body's innate immune systems
Aids auto immune function.

Indigestion-1

Digestive support which helps break the antacid habit. Helps trigger and retrain the body's natural digestive process while reducing dependence on antacids. Use for heartburn, indigestion, and acid reflux.

Inflammation-1

Multiple potent anti-inflammatory remedies.

Influenza-1

Use for fever and flu-like symptoms including overall weakness, shivering, stiffness, headache, fatigue, and body aches.

Insomnia-1

Addresses sleeplessness related to nervous exhaustion. Calms frayed nerves and provides pain relief during times of tension and anxiety. Promotes sleep and aids in general relaxation.

Insomnia-2

Additional sleep related remedies including flower essences, herbs and remedies addressing emotional considerations.

Insomnia-3

Additional sleep related remedies addressing a variety of sleep related disturbances.

Joints-1

Relieves arthritis pain. Use for aching muscles, pain, stiffness and trauma of the joints.

Joints-2

Additional joint remedies. Use for aching muscles, pain stiffness and trauma of the joints. Includes powerful nosodes.

Male-1 Health

Supports male glandular, organ and endocrine system. Provides vitality and energy while also increasing overall circulation and endurance. Promotes healthy libido. Useful for strength training, depression and male menopause.

Male-2 Prostitis-1

Prostate problem corrector and support. Promotes feeding, elasticity and lubrication of the prostate. Enhances libido.

Male 3 Prostitis-2

Additional remedies for prostate health. Addresses a variety of prostate related issues

Male 4 Prostitis-3

Additional remedies for prostate health. Includes powerful nosodes.

Male 5 Uro-1

Supports urinary functions by reducing pain and addressing complications from gallstones or kidney stones.

Male 6 Uro-2

Contains powerful nosodes for male urinary health.

Male 7 Uro-3

Contains powerful nosodes for male urinary health.

Male 8 Libido-1

Supports male glandular and endocrine systems. Promotes healthy libido. Helps enhance vigor, vitality, strength, and muscle mass.

Memory & Recall-1

Promotes concentration, clarity of thought, alertness and improved general memory functions. Bridges the gap between the left and right hemispheres of the brain.

Motion Sickness-1

For symptoms of motion and sea sickness, nausea and equilibrium related symptoms.

Muscles & Ligaments-1

Strengthens weak muscles, cartilage, tissues and bones. Relieves pain associated with sports injuries and workouts.

Nausea-1

Use for intestinal discomfort. For clients with a history of exposure to intestinal microbes. Relieves nausea and vomiting.

Nervous System-1

General nerve tissue support. Builds neural and muscular system which calm an over-active and stressed system.

Organ Heart-1

Heart and circulatory system remedies which promote healthy functioning.

Organ Heart-2

Support for myocardium and coronary artery. Addresses emotional imbalances. Supports vascular system and the heart. Use for those with blood pressure and cholesterol challenges.

Organ Intestine-1

Regulatory remedy for intestines.

Organ Intestine-2

Digestive support formula that promotes proper levels of digestive acids and enzymes, addressing bloat and colon hydration. Supports stomach and small intestinal. Ideal for exposure to food poisoning.

Organ Intestine-3

Specific frequencies known to support healthy intestines.

Organ Kidney-1

For use with kidney dysfunction and urinary gravel.

Organ Kidney-2

Supports and stabilizes over-stressed kidneys. Diuretic and stimulant. Helps dissolve kidney stones.

Organ Kidney-3

Specific frequencies known to support kidneys.

Organ Lung-1

Builds, tonifies, and strengthens and cleanses respiratory system. Eases respiratory dysfunction, emphysema, chronic sore throat, breathing problems.

Organ Lung-2

Specific frequencies known to support the lungs.

Organ Liver GB-1

Remedies known to support the healthy functioning of the liver and gallbladder.

Organ Liver GB-2

Helps soften, restore, regenerate and rebuild the liver. Relieves toxin buildup. Supports healthy drainage and cleansing of the gallbladder.

Organ Liver GB-3

Specific frequencies known to support the liver and gallbladder.

Organ Lymph-1

Assists with lymph drainage and adjustment. Adds energy. Cleanses and stimulates lymph.

Organ Lymph-2

Specific frequencies known to support the lymph system in the abdomen.

Organ Lymph-3

Specific frequencies known to support the lymph system in the chest.

Organ Lymph-4

Specific frequencies known to support the lymph system in the pelvis.

Organ Lymph-5

Specific frequencies known to support the lymph system throughout the body.

Organ Pancreas Spleen-1

Powerful remedies known to support healthy pancreas and spleen function.

Organ Pancreas Spleen-2

Builds and strengthens pancreatic functions bolstering balance. Rebuilds and supports the spleen. Helps with chronic exhaustion.

Organ Pancreas Spleen-3

Specific frequencies known to support the pancreas and spleen.

Pain-1

Relieves general pain in extremities, muscles and joints.

Pain-2

Multiple remedies combined to address chronic or symptomatic pain.

Parasites-1

For microscopic microorganisms in the intestinal tract, including giardia, amoebas, and flukes.

Parasites-2

Specific treatment for amoeba, blood flukes, chlamidia, fish flukes, lung flukes, lymph flukes, protozoa, thread worms, and trichinosis.

Parasites-3

Specific frequencies known to address parasites.

Relax-1

Calms frayed nerves. Aids general relaxation. Sedating effects.

Relax-2

Multiple remedies used to promote general relaxation and calm. Powerful emotional aspects included.

Rescue-1

Use when response to remedies is extreme. Calms and evens out disposition and relieves symptoms of anxiety.

Skin-1

Tones and tunes the skin. Use for blemishes, irritations, itching, rashes, sunburn and burns.

Sprains & Strains-1

For use to accelerate healing and recovery from muscle and ligament sprains and strains.

Thyroid-1

Builds and balances the thyroid for normal, healthy metabolism. Useful for thyroid imbalances.

Toxicity-1

Powerful remedies aimed to release general toxicity from the body include those resulting from fumes, metals and other toxic substances.

Vaccinations-1

C30 potencies for vaccinations including tuberculinim, diphteria, whooping cough, tetanus, polio, haemophilus, flu meningitis, perti, whoop, scarlet fever, hepatitis, hepatitis B, influenzinum, lyme disease, mumps, measles, rubella, malaria, morbillinum.

Vaccinations-2

C200 potencies for vaccinations including tuberculinim, diphteria, whooping cough, tetanus, polio, haemophilus, flu meningitis, perti, whoop, scarlet fever, hepatitis, hepatitis B, influenzinum, lyme disease, mumps, measles, rubella, malaria, morbillinum

Vaccinations-3

1M potencies for vaccinations including tuberculinim, diphteria, whooping cough, tetanus, polio, haemophilus, flu meningitis, perti, whoop, scarlet fever, hepatitis, hepatitis B, influenzinum, lyme disease, mumps, measles, rubella, malaria, morbillinum.

Virus-1

For viruses including coxsackie, cytomegalovirus, epstein barr, grip, herpes, parvo.

Virus-2

For viruses including coxsackie, cytomegalie, epstein barr, hepatitis, herpes simplex, herpes zoster, influenza, mononucleosis, polio, varicella, chicken pox.

Weight Loss-1

Normalizes essential nutrients for weight loss. Regulates water and electrolyte balance a. Supports weight loss programs.
